

Tea Tree Oil - Nature's Best

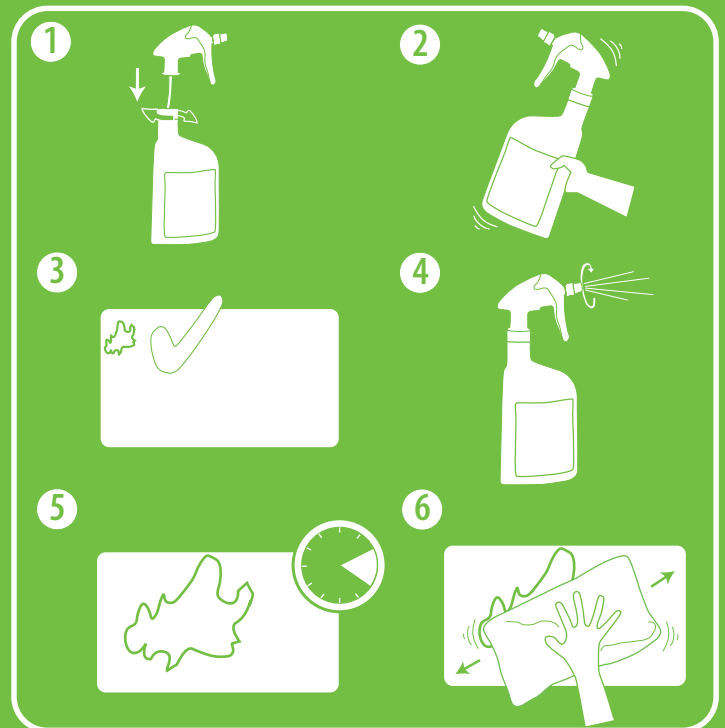

All Purpose Steriliser & Cleaner

Gelair™ All Purpose Steriliser and Cleaner provides the powerful anti-microbial and anti-fungal action of Tea Tree Oil in an all purpose cleaner. All Purpose Steriliser and Cleaner is suitable for use on most surfaces and kills mold and bacteria as well as removing scum, grime, grease and stains. When used on porous surfaces, the penetrating action of Tea Tree Oil provides long lasting protection against mold growth .

Instructions for Use

- 1 If trigger is separate from bottle, remove cap, place trigger sprayer into the bottle and tighten.
- 2 Shake well before use.
- 3 Test on a small area of surface before use.
- 4 Adjust nozzle to suitable spray width and spray directly on to surface.
- 5 Leave 10 - 20 minutes.
- 6 Wash clean with water or damp cloth.
